

ARTICLES OF THE ENDOWMENT FUND OF THE WFITN

Preamble:

The Association for the WORLD FEDERATION OF INTERVENTIONAL AND THERAPEUTIC NEURORADIOLOGY, hereinafter WFITN, which is governed by the Act of 1 July 1901 and was duly declared at the Police Headquarters of PARIS on 21 March 1990, whose registered office is situated in PARIS, 8th *arrondissement*, 7, Rue de Castellane and which is represented by its President in office, Mrs Sirintara PONGPECH, who has been duly authorized for the purposes of these articles pursuant to a resolution of the Board of Directors of 08.02.2018,

Hereinafter the "Founder",

Has decided to set up an endowment fund which shall be governed by the Economic Modernization Act n° 2008-776 of 4 August 2008 (Official Journal of 5 August 2008), Decree n° 2009-158 of 11 February 2009 and by these articles.

The WFITN today has scientific and competitive capacities on an international level but the pooling of knowledge on this specialized medical discipline as well as the search and training of new neuroradiologists means that the Federation needs to have sufficient resources and be structured for the sake of its credibility both in France and abroad.

It is for these reasons that the WORLD FEDERATION OF INTERVENTIONAL AND THERAPEUTIC NEURORADIOLOGY felt it was indispensable to set up an endowment fund.

Title 1: Constitution

Art. 1: Creation and name

The signatories of these articles hereby set up an endowment fund which shall be governed by the Economic Modernization Act n° 2008-776 of 4 August 2008, Decree n° 2009-158 of 11 February 2009 on endowment funds and these articles.

The endowment fund shall be called: Endowment Fund of the WFITN.

It shall be referred to hereinafter as "the Fund".

Art. 2: Object of the Fund and means of action

The object of the Endowment Fund of the WFITN is to promote the development and advancement of the interventional and therapeutic neuroradiology discipline focused on endovascular neurosurgery throughout the world and in particular through the training of future neuroradiologists.

In order to achieve the object laid down in these articles, the Endowment Fund shall implement any or all means that it deems appropriate through direct or indirect actions, in particular by contributing to scientific research, the training of future neuroradiologists, teaching, the pooling of knowledge by means of meetings, conferences or any or all useful means, and funding the Association for the WFITN or any or all other non-profit organizations whose work is similar to the object of the Fund.

The Endowment Fund shall implement any or all legal means which further the achievement of the object of the Fund and planned actions, and in particular:

- collection of funds, in particular from companies, individuals and legal entities both in France and abroad,
- signing of agreements and in particular partnerships with any or all company, local authority or public body, or association,

- creation, management and development of any or all actions that are necessary to operate the Fund,

Art. 3: Registered office

The registered office is situated in 7, rue de Castellane, 75008 Paris, France.

The said registered office may be moved to any or all other location pursuant to a resolution of the Board of Directors. The *Préfet* of the *Département* shall be informed thereof.

Art. 4: Term

The Endowment Fund is hereby set up for an indefinite period of time.

Title 2: Administration and operation

Art. 5: Board of Directors

Art. 5-1: Composition / method of appointment / term of office

The Board of Directors shall be composed of:

1) Five ex-officio members:

- a) Five representatives of WFITN, namely: its current President, its past President (i.e. the one immediately succeeded by the current President), its Treasurer, its General Secretary and its Director of the Education Committee.

These five representatives are ex officio members of the Endowment Fund Board of Directors.

However, the following clarification is made: the term of office held by the Treasurer and the Secretary General within the Fund is four years. It is two years on the WFITN Executive Committee (Excom).

Thus, in the event that either of them is not reappointed to the same position within the WFITN, he or she will continue to serve on the Board of the Fund for the remainder of his or her term of office, but not as Treasurer or General Secretary of the Fund.

2) In addition to the 5 ex-officio members, between 2 and 6 other members may be elected by the ex-officio members, if they so wish, to ensure diversity and the required expertise. These other members will be chosen from one and/or other of the three categories described below, at the sovereign choice of the ex officio members. In the event that the other elected members are six in number, the distribution provided for below shall apply:

- a) Three members, each from a different continent, to ensure global representation;
- b) Two members, each from two different low- and middle-income regions, in order to target resources to areas where they are most needed and have the greatest impact;
- c) One scientific expert or researcher in the field of cerebrovascular disease, to focus the Fund's interest on promising research.

The term of office for Board members is four years:

With the exception of the ex-officio members, the term of office of each of the other members shall be renewable once.

Outgoing members are immediately eligible for re-election.

Only members of the Board of Directors are entitled to elect the other members. If a member is running for re-election, he/she shall be recused from the vote.

In order to avoid major disruptive turnover of the Board composition, the election of these other members takes place in a staggered manner, in line with the frequency of the election of the WFITN Executive Committee, which takes place every two years.

The election of the other members thus takes place as follows:

- Two members, each from a different continent, one member from a low -or middle- income region and the scientific expert or researcher in the cerebrovascular field are elected (or re-elected) one year after the election of the new WFITN Excom;
- The third member from a different continent and the second member from a low- or middle-income region are elected (or re-elected) one year after the election of the new Excom that follows the previous one (see previous paragraph).

Art. 5-2: Absence / removal from office

In the event of repeated and unjustified absences on the part of a director at Board meetings, the said director may be declared to have automatically resigned from office by the majority of the Board of Directors who pass a resolution in this respect without the director in question being present, after the director has been informed of the said facts and been given the opportunity to put forward his remarks.

If a director's seat becomes vacant due to death or resignation, or if he is unable to perform his duties, the Board of Directors shall replace him within the month that follows the seat becoming vacant. The duties of the new member shall end on the date on which the term of the director he replaces would have expired.

Art. 5-3: Members' compensation

The members of the Board of Directors shall receive no compensation for their services. However, the costs they incur while performing their duties may be refunded as laid down in the internal regulations.
